Your business is unique, and so are its challenges. That is why **The Lapeer Area Chamber of Commerce** has teamed with **Bankcard Processing Systems, Inc.** in an effort to improve your cash flow, minimize your collections risk, and better serve your customers. "I was pleasantly surprised at the results of the rate comparison we were given and the fact that we aren't held to monthly minimums," commented Neda Payne, Chamber of Commerce Executive Director.

Bankcard Processing Systems, Inc. is a local company based out of Shelby Twp. We work with Elavon, which is a subsidiary of US Bank and is also rated number one by Mastercard for processing reliability. Our company specializes in credit card processing and we also offer a variety of financial services designed to enhance many different types of businesses: Retail, Mail or Phone Order, E Commerce, and Industrial to name a few.
